

# Think inside the box.

**Recycling makes sense  
for our environment  
and our future.**

**Your newspaper name here**

**As a member of the Ontario Community Newspaper Association, this newspaper provides advertising to area municipalities in amounts and in a manner approved by Waste Diversion Ontario, and valued in accordance with published advertising rates at the time of the appearance of such advertising. This advertisement, however, is an independent initiative of this newspaper, to encourage recycling as we all work toward the province's 60 per cent waste diversion goal in 2008.**
